Vol. 163

WASHINGTON, WEDNESDAY, JUNE 28, 2017

No. 111

## Senate

The Senate met at 12 noon and was called to order by the President pro tempore (Mr. HATCH).

### PRAYER

The Chaplain, Dr. Barry C. Black, offered the following prayer:

Let us pray.

Gracious God, Ruler of all nature, Your strong right hand continues to sustain us.

Lord, remind our lawmakers of their accountability to You. Provide them with such a passion to please You that they will maintain a conscience void of offense toward You and humanity. In the flurry of legislative activities, may they not forget those on life's margins.

Lord, guide our Senators to perform those actions that bring the greatest glory to Your Name. Remind them of that Golden Rule, which states: What you don't want done to you don't do to someone else. May integrity and honesty protect them as they put their hope in You.

We pray in Your great Name. Amen.

### PLEDGE OF ALLEGIANCE

The President pro tempore led the Pledge of Allegiance, as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

### RESERVATION OF LEADER TIME

The PRESIDING OFFICER (Mr. MORAN). Under the previous order, the leadership time is reserved.

### CONCLUSION OF MORNING BUSINESS

The PRESIDING OFFICER. Morning business is closed.

### EXECUTIVE SESSION

#### EXECUTIVE CALENDAR

The PRESIDING OFFICER. Under the previous order, the Senate will proceed to executive session to resume consideration of the Rao nomination, which the clerk will report.

The senior assistant legislative clerk read the nomination of Neomi Rao, of the District of Columbia, to be Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget.

#### RECOGNITION OF THE MAJORITY LEADER

The PRESIDING OFFICER. The majority leader is recognized.

#### HEALTHCARE LEGISLATION

Mr. McCONNELL. Mr. President, yesterday, Senate Republicans gathered down at the White House for another discussion on the way forward on healthcare. We had a productive conversation. I appreciate the administration's engagement, and I look forward to more discussions in the days that lie ahead.

We will continue working so that we can bring legislation to the floor for debate and, ultimately, a vote. We know that we cannot afford to delay on this issue. We have to get this done for the American people. That is a sentiment that is widely shared in our conference, and I think I speak for everyone in acknowledging, once again, that the ObamaCare status quo is unacceptable and that it simply cannot continue.

ObamaCare has caused premiums to increase by an average of 105 percent in the vast majority of States on the Federal exchange. Next year, premiums will again increase across the country—by as much as 43 percent in Iowa, 59 percent in Maryland, and 80 percent in New Mexico.

ObamaCare has led to 70 percent of our counties having little or no choice of insurance on the exchange this year. Next year, dozens of counties are pro-

jected to have no choice at all, which could leave thousands trapped, forced by law to purchase ObamaCare insurance but left without the means to do so. Seven years after Democrats forced ObamaCare on our country, these are the painful realities for countless families across our country.

It is unfortunate that our Democratic colleagues have refused to work with us in a serious way to comprehensively address ObamaCare's failures in the 7 years since they passed it. I regret that they continue to demonstrate an unserious attitude about all of this today, but it is increasingly clear that ObamaCare's negative trends will only get worse, hurting even more Americans all along the way, unless we act. This should not be acceptable to anyone.

Sitting on the sidelines and accepting the status quo will not bring help to anyone's constituents. We have the opportunity to provide relief to those struggling families, and we should take it. Senators will have more opportunities to offer their thoughts as we work toward an agreement, and every Member will have the ability to engage in a robust debate out here on the Senate floor.

But, if one thing is clear, it is this: ObamaCare is a direct assault on the middle class. It is getting worse, and we have to act to finally move beyond its failures.

I suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

The senior assistant legislative clerk proceeded to call the roll.

Mr. DURBIN. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. DURBIN. Mr. President, the Senate will be going home this week for the Fourth of July recess, and most of us will be back in our homes with our families and in our hometowns and
